MEMORANDUM: FOR THE CHAIRMAN, SENIOR INTERAGENCY GROUP
(INTELLIGENCE)

SUBJECT: Countermeasures Organizational Study

In response to your request of 13 December 1982 the Interagency Group/Countermeasures (IG/CM) undertook a study of the organization of U.S. countermeasures programs to ascertain whether improvements in the organization of such programs could be identified.

Attached for your endorsement is the IG/CM study, which I believe represents both a valuable data base and an ample agenda to guide future IG/CM efforts. I am, indeed, prepared to move ahead as appropriate in addressing issues raised by the study, upon the approval of the SIG(I).

I understand a SIG(I) meeting to consider the report has been scheduled for 1 August. Recommend therefore, that copies of the study be made available to SIG(I) principals at the earliest opportunity.

Chairman
